

# NOTICE OF PRODUCT CERTIFICATION

**CERTIFICATION NO:** NI016100  
**DATE:** 03/12/2024  
**CERTIFICATION PROGRAM:** Fire  
**COMPANY:** Bari Millwork  
**CODE:** 3020-1  
**EXPIRATION DATE:** 03/31/2028

This certification represents product conformity to the applicable specification and that certification criteria has been satisfied. A NAMI approved certification label must be applied to the product to claim certification status. To affirm the certification status, please visit [www.namicertification.com](http://www.namicertification.com). NAMI is accredited to the ISO/IEC 17065 by the Standards Council of Canada (SCC).

| COMPANY NAME AND ADDRESS                                                                                                 | PRODUCT DESCRIPTION                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
